June 2024

Dear Parents / Guardians,

We are currently accepting applications for the **SUMMER 2024** Driver Education program. The program is only open to Rocky Point students. The cost for this semester is \$695.00. Please return the attached application along with a copy of the New York State Learner's Permit (front only) and a check or money order made payable to Rocky Point Schools to the above address by **Friday, June 21, 2024** (via mail or in-person). Students will be notified of their acceptance on Friday, June 28, 2024. The confirmation notice will be sent via parent email. The benefit of this program is to give the student insurance discounts and quicker access to a senior license.

If your son or daughter does not get placed in this session, due to high enrollment, your check or money order will be returned. Please note that students must be 16 years of age and have a valid permit prior to Friday, June 21, 2024, in order to be accepted into this semester's Driver Education program. Placement for all students is as follows; Seniors receive priority (regardless of birthdate) followed by the remaining applicants in order of birthdate (regardless of grade).

**DRIVING SESSIONS:** Driving sessions will take place daily for 1 1/2 hours per session for a total of 16 weeks. Please see the attached schedule. Students should meet in front of the High School at their assigned driving time.

**LECTURE CLASSES:** Classes will meet **IN PERSON** at Rocky Point High School (room TBD). The students will be using Google Meet for all classwork and tests that need to be completed. Students will be assigned to In-Person lectures daily at either 7:00am - 8:30am (session 1) or 7:30am -9:00am (session 2). All students will access the building through the rear gym entrance doors. One makeup lecture class and one makeup driving session will be offered for each session. Students must complete 100% of the course work, 16 lectures, as well as 16 driving sessions to receive their completion certificate (MV-285) at the completion of the course.

If you have any further questions, please feel free to contact the office via email or the number below.

Sincerely,

Lisa Giammarella
