Practice is every Thursday from 6:00pm - 8:00pm.

We race on Sunday mornings: registration and practice is from 10:00am - 11:00am with racing to begin asap. During the summer months: racing is moved to Tuesday Nights, with registration and practice from 6:00pm - 7:00pm, racing to begin asap.

We require a full-face helmet, long pants and a long-sleeved shirt (loaner helmets are available). We will inspect the bike prior to riding the track to make sure there are no modifications needed to be made.
