Re: Inclement weather impact to school lunch

Dear Parents/Guardian:

Some inclement weather is inevitable during the winter months. I would like to take this opportunity to explain the lunch menu and meal service when these situations arise.

Early Release – If early release notification is given at an early time, the school kitchen will work with the Principal of each school to ensure all children receive lunch before they are dismissed.

School Closed – If school is closed, the menu for that day will be served the following day. Example, if school is closed Wednesday, the Wednesday menu will be served on Thursday.

2 Hour Delay – Breakfast will not be served.

If our deliveries are disrupted due to the weather it may be necessary to make changes to the menu for the following week. If that happens, there will be an announcement informing of those changes.

We love it when you join us for breakfast and lunch! We always hope for perfect weather but when it's less than perfect, we have a plan in place to be sure that every child can eat. Please feel free to contact me if you should have any questions.
