### 2025-2026 Chromebook Insurance Plan and Notice of Fees

Dear Parents and Families,

As a reminder, Sachem offerings an annual Chromebook insurance coverage plan through the *Worth Avenue Group Insurance Company*. The plan is available to all families of students in grades 6-12, to help address accidental damage that may occur to Chromebooks and chargers.

This program covers cracked screens, spills and liquid submersion, fire, flood and natural disaster, power surge by lightning, vandalism and theft, but does not cover cosmetic damage, wear and tear, intentional damage and unexplained loss. As a separate matter, warranty issues will be addressed by the district.

Cost for the plan is **\$36** per student device, however **enrollment will close and be unavailable after October 25, 2025**. Annual coverage is from September 1, 2024 through August 31, 2025. Please use the following links to sign up for the plan. As a reminder, the model number can be found in the upper right corner of the label on the bottom of your student's Chromebook.
