

TIGER NEWS

Your source to stay "In the Know"

From the Main Office

Dear Lynwood Families,

I hope this edition of Tiger News finds you off to a great start of the New Year. We have jumped right back into the swing of things here at school. Now that our first trimester is over, it is important to be on top of your child's academic performance. Our report cards have been posted and our conferences have been completed. If you need help accessing report cards or understanding the information on them, feel free to reach out to our classroom teachers or office staff for assistance.

One obstacle we have faced, since before break, is that many students are coming to school sick and need our Nurse's Office as soon as they enter the building. It certainly is cold and flu season, but I urge everyone to ensure their children are fever free for 24 hours before sending students to school. By adhering to this, we can help everyone stay healthy and safe. Additionally, be on the lookout for your children expressing that they have upset stomachs. Stomach flu is something else that has been a challenge here at Lynwood.

As we move through the peak of winter, indoor recess is necessary due to the frigid temperatures. Recess is also an important part of our day, as it provides students with a much needed brain break and rest from academic work. Please encourage your children to be mindful of their recess behavior, as their games and fun time need to be in-school appropriate. Also, please continue to encourage proper bus behavior such as staying in seats, out of aisles, and to keep noise levels down. This will ensure everyone arrives at their destination safely.

Finally, please be aware that we will continue with our safety drills throughout the year. These drills include fire, evacuation, lockout, and lockdown drills. This is another aspect of school safety you can help prepare your children for.

Thank you in advance for your cooperation.

Mr. Washousky

RIDDLE OF THE WEEK

Solve this riddle with your class. Send your answer to the Main Office. If you get the correct answer, your class will have a chance for an extra recess!

What can you catch, but not throw?

Listen closely to the morning announcements for the answer and winning class.

Previous Answer: A Candy Cane

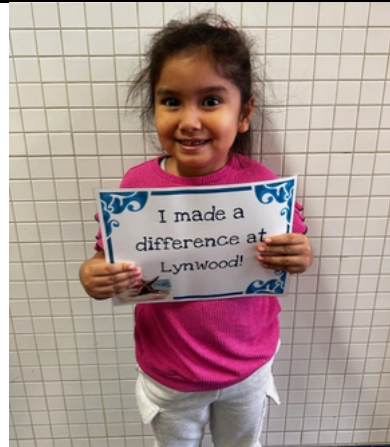

WHAT IS HAPPENING AT LYNWOOD?

K-2 learning about weight (measurement) using balance scales!

WHAT IS HAPPENING AT LYNWOOD?

Our latest Starfish recipients are examples of the wonderful and kind characteristics we want all our students to demonstrate; keep up the excellent work!

WHAT IS HAPPENING AT LYNWOOD?

This week Class 3-2 finished up our Weather Unit with some engineering. They tried to construct a model by designing, testing, redesigning, and retesting our models. They worked together to design a windproof house. It was a lot of fun!
