

TIGER NEWS

Your source to stay "In the Know"

From the Main Office

Dear Parents,

This week at Lynwood was jam-packed with different events and activities. Many of our classes celebrated Lunar New Year and learned about different cultures and holidays from around the world. From making paper lanterns, to completing research projects, all grades learned something new.

Some of our students also have begun using their balance bikes. These bikes were part of a fundraising effort and are a great addition to our physical education program.

Lynwood also had a visit from students at East, who came to run a peer advisory program with our fifth-grade students. The sessions went well and focused on things like setting goals and making good choices. Our teaching staff had a lot of touching moments, as they found their former students back at Lynwood.

The school year is flying by and I hope these newsletters give you a good glimpse of all the fun things happening at Lynwood. As the weather improves, we will be back outside for recess and enjoying the outdoors more. You can also expect us to practice safety drills, including fire and lockdown drills in the coming weeks.

Have a great weekend!
