## Your source to stay "In the Know"

### From the Main Office

Dear Lynwood Families,

Lynwood is in the middle of PARP month and it has been fantastic to see the love of reading spread throughout the building. Everywhere I look, I see kids with books and their teachers making fun opportunities for them.

Our First Grade had a visit from local author Brian Hines. He is one of my favorite presenters and everyone enjoyed his visit and learning about how books are created from start to finish. Our Fifth Grade had a live zoom presentation from author Kate DiCamillo and were able to participate in a question and answer session between the author and meeting host. Finally, with the improved weather we had, everyone had chances to be outside and enjoy the fresh air and sunshine.

Please consider attending our next PTA event; Glo-Lingo, which is sure to be fun. We are also planning on having a lockdown safety drill next week, so please speak with your children on the importance of practicing these drills. I encourage all community members to attend our upcoming Board of Education meetings and to support Sachem's budget. Details of our current letter writing campaign can be found on our school website.

Have a great weekend!

Mr. Washousky
