

TIGER NEWS

Your source to stay "In the Know"

From the Main Office

Dear Lynwood Families,

We are coming off another exciting and fun week here at Lynwood. Kindness is always our focus and many of our students supported people with disabilities by showing their spirit and wearing crazy socks. Many classes are also reaching their class goals and being rewarded with new and interesting celebrations. Other fun activities included field trips and Spring themed celebrations.

We also have many things to look forward to. Due to weather, our Turkey Trot scheduled in November was canceled. We have a tight schedule in the following weeks, but we do have one last chance to make this event happen - April 11th. See inside this newsletter and check your emails for a schedule. On May 1st, we have scheduled an after school Graff Lab event. Parents are required to attend the event with their children. Graff Lab is currently working on a mural for our school and we hope this event gets everyone excited about it. Details are in this newsletter and will be emailed to you as well.

April 9th and 10th are also our scheduled New York State ELA exam dates. By this point, you should have communicated your testing preferences to your child's classroom teacher. If you have not done this already, please do so as soon as possible. Also included in this newsletter is information about an upcoming Sachem Community event I hope you'll enjoy.

Finally, as we near the end of the year, we will complete all of our required drills. The drills include fire, evacuation, lockdown, and bus drills. You can expect these to happen in the coming weeks.
