

TIGER NEWS

Your source to stay "In the Know"

From the Main Office

Dear Lynwood Families,

Another week has past, and I am more grateful than ever to the dedicated teachers here at Lynwood and of course for the amazing students and supportive parents. Everyone showed their commitment to our school during Back to School Night. Our classroom teachers gave informative presentations and our special area teachers were on hand to meet with many parents. Just by showing up, our parents have showed their support, and it is appreciated.

Coming up next week is our Back-to-School Picnic. This is another event our dedicated PTA is providing for us. I hope all our community can attend. Our Sachem Day event is scheduled for November 2nd. This is where Lynwood needs to show up and make our mark as a caring school community. If you plan on running the 5K or the Fun Run, please make sure you sign up as a member of the Lynwood Tiger Team. This is one way we can show our support. But, even if you are not participating in the runs, come down and cheer on our pep squad or just enjoy the day's events. Included in this edition is also an opportunity for local businesses to sponsor this event. If you know anyone who is interested, please pass this information along. All proceeds from the entire event go directly to Sachem students. I hope to see you there!

We will continue to administer safety drills over the next few weeks. These include fire drills and lockdown drills. Please speak with your children at home, so they understand the importance of these drills. Finally, this Tiger News edition shows just a snippet of the creative teaching going on here each day and I hope you enjoy it.

Next, students made their mark using a bingo marker and used that dot to show their creativity. Then they made a coffee filter dot by coloring it with markers and spraying it with water. They also colored a worksheet filled with dots. Finally, they got a Dot Day certificate signed by Peter H. Reynolds.
