## Your source to stay "In the Know"

### From the Main Office

Dear Families,

The year is certainly flying by and Lynwood has been busy! We have had many assemblies, events, and celebrations! These are the memories that make school great! Many thanks to our PTA who is always supporting everything we do.

As we move to the Holiday Season, it is also a great opportunity and teachable moment to consider families who struggle. Be on the lookout for food collections and toy drives. These are things our Sachem Community conducts to help us all be good neighbors. If you find yourself in need, reach out to us at Lynwood. I always envisioned this building being the centerpiece of the community and through the support we have received, it is happening!

Now is also the time to ensure your child is on the right track academically. Make sure you have an understanding of your teacher's grading system and your child's progress. If you have questions, reach out to the classroom teacher.

Finally, as a reminder, we will continue to conduct safety drills in the coming weeks. These will include lockdown drills and bus drills. Please be sure to speak with your children about the importance of these drills.

Mr. Washousky
