## Your source to stay "In the Know"

### From the Main Office

Dear Lynwood Families,

We have almost made it to our last week of being in school in 2024! Time is flying by. All our students are excited for the holidays and every class has been celebrating.

Besides holiday fun, this is also the end of another marking period. As our grading ends, it is important to have a plan for success. If your student is struggling, work with their teacher on ways you can help improve at home. Successful students maintain a class and home partnership. The same can be said when it comes to enriching students. We should all maintain plans to excel.

As we wrap up the year here, make sure you take advantage of all the fun opportunities our PTA offers. We have a Lynwood Santa event here on Saturday and Sachem East has one on Sunday. These events are things that help bring us together as one community!

Finally, don't forget to participate in our Spirit Day events next week!
