

TIGER NEWS

Your source to stay "In the Know"

From the Main Office

Dear Lynwood Families,

This week's edition of Tiger News is being split into two separate editions. One is dedicated to our Hero Day and the other to the wonderful activities our teachers make for your children each day. I hope you enjoy them both.

Now that we are into our second trimester, many parents have asked me how best they can help their children improve academically. No matter what the age of the student, my answer is always the same; be involved and engaged. Parents play a vital role in their children's education.

I encourage parents to make every effort to engage with the learning process. Helping with homework, reading to your children, visiting museums and creating learning opportunities as a family are all amazing ways to accomplish this. However, the simplest way is to ensure you are aware of your child's progress. By accessing your child's Parent Portal, all the information is available to you. By using that system to keep track of progress, you can ensure your child's needs are being met. As always, my door is open, so feel free to reach out if you need me.

WHAT IS HAPPENING AT LYNWOOD?

Here are some pictures from class 4-1.

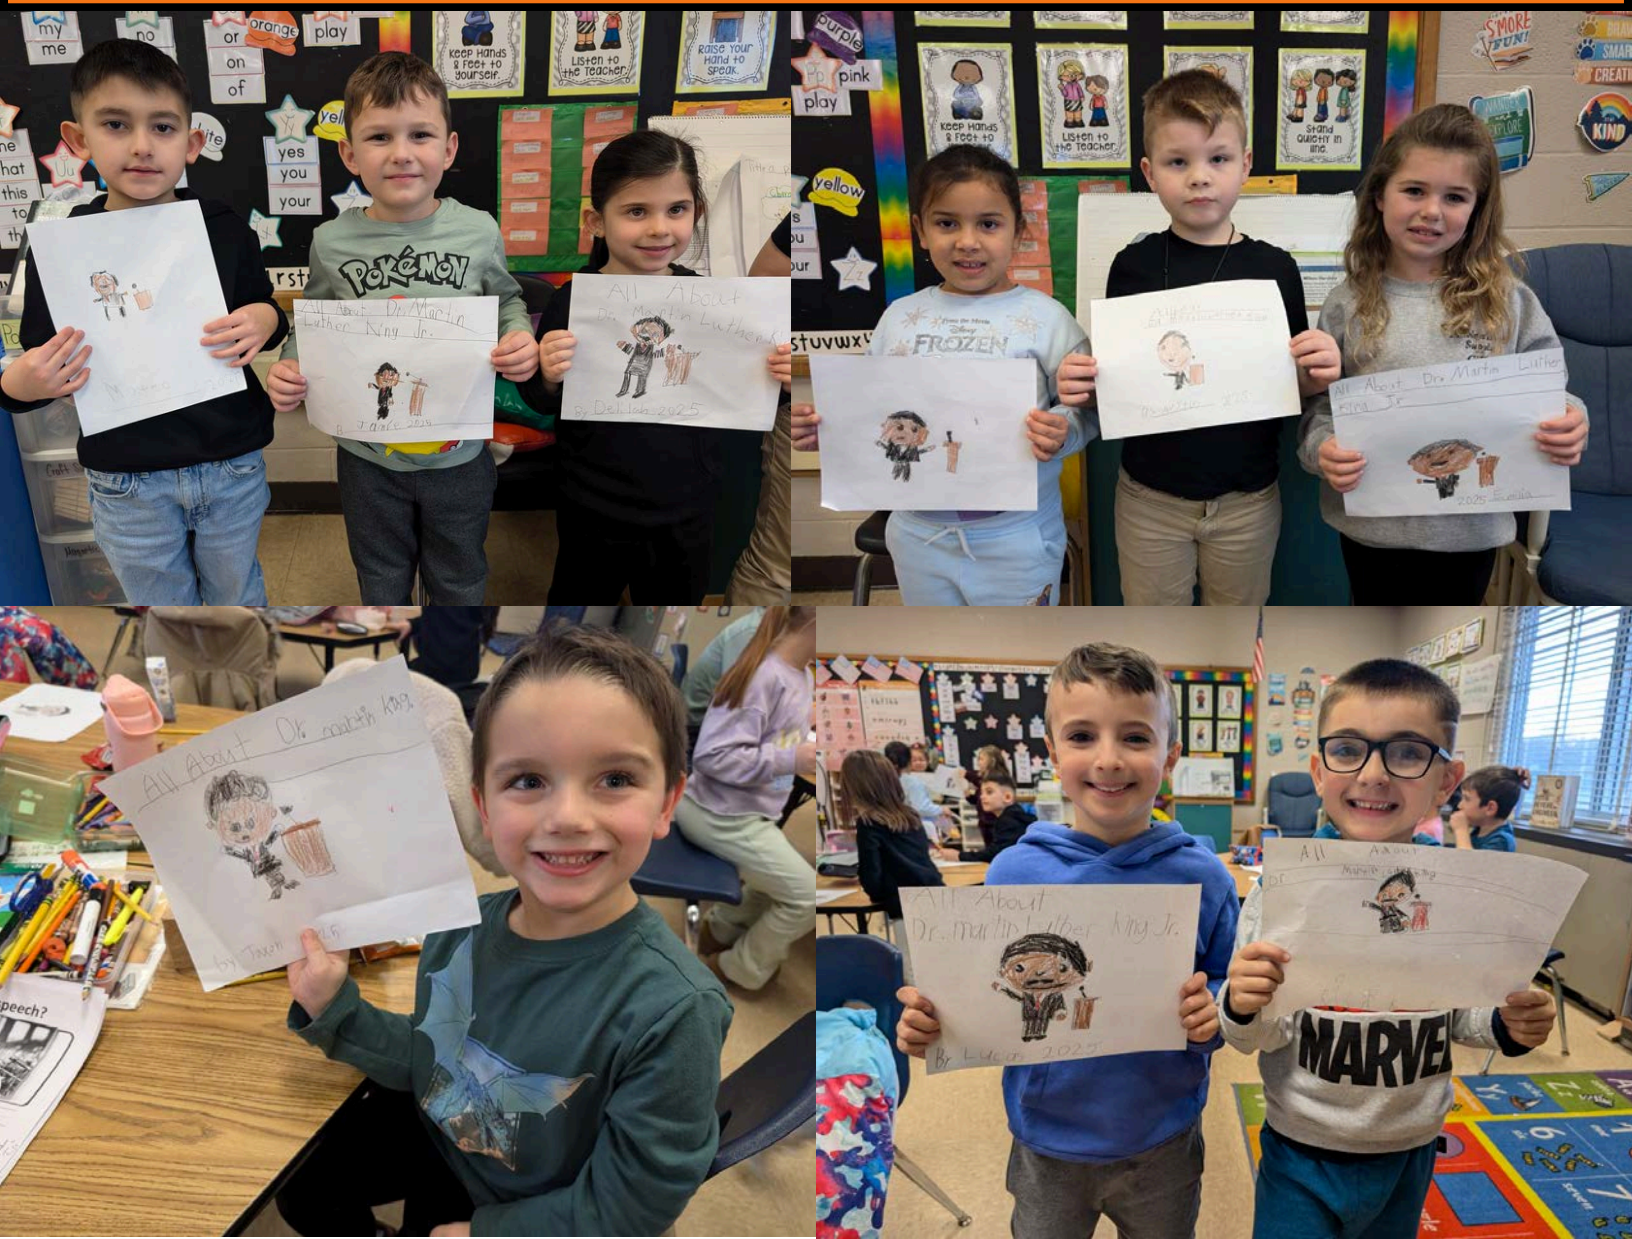

We listened to the story "One Word for Kids" and chose our own words that we could work on to make 2025 the best year. The students came up with an action plan to help them achieve their one-word goals. Some of the words they chose were healthy, organization, perseverance, and leader.

They also created those words on a program so that they could be 3D Printed and kept as a reminder to keep working on their goals.
