

TIGER NEWS

Your source to stay "In the Know"

From the Main Office

Dear Lynwood Families,

Spring is in the air here at Lynwood and everyone is learning and growing. Our Kindergarten has been hard at work. K3 kicked off the season with some Opening Day Baseball activities. Mr. Ken (our security guard) and I even had a chance to get involved. It was a great time! K1 focused their learning on communities, by building their own communities and learning about community helpers. Finally, Kindergarten was the big winner of our Penny Wars. As a special prize, they earned ice cream and an extra recess with me! The learning continued in ENL. Our ENL team has been studying science concepts such as cloud formations with hands-on experiments.

We are always making improvements to our building. Next time you are here at Lynwood, be sure to look into our landscaping for some special rocks, created and placed by our Girl Scouts. While here, you may notice a new addition to our play area. Our Buddy Bench (built by students from Sachem East) is officially installed next to our book lending library (donated by our PTA). We also have a new spiderweb installed on the playground that students are loving!

Fostering a sense of community is one of the best achievements a school can have. Matching our young learners up with our older students is one way we can do this. Inside you will see pictures of our First and Fifth Grade "Buddies" reading, learning, and growing together. Also, everyone got in on the action to support students with Autism and participate in "Light it up Blue" by wearing blue clothes. Finally, we continued our Starfish Program by recognizing the best Lynwood has to offer. These students were caught being good and received a Starfish award.

Next week we are looking forward to our Bunny Hop. Parents are invited to come and cheer our athletes on. We hope to see you there!
