### Sachem North Student Selected for Simons Summer Research Program

Sachem High School North science research student Ethan Francilot was recently accepted into the 2022 Simons Summer Research Program at Stony Brook University, a highly competitive program which seeks high school applicants from across the country.

The fellowship program matches apprentices with faculty mentors to work as part of a team on an original science research project. Ethan will be working with Dr. Berhane Ghebrehwet to investigate the immunopathology of COVID-19.

## Featured News

---

Sachem High School East students recently explored an eclectic assortment of future opportunities during the fifth annual Career Connection event hosted at Sachem High School East.

---

Acceptance and understanding were among key concepts emphasized at Hiawatha Elementary School as students across grade levels recently participated in a collection of in-class activities and an outdoor autism awareness walk to share important information about autism.

Lynwood Avenue Elementary School third grade students recently completed a read-a-thon project where they focused on the importance of empathy and helping others as they raised money for the Ronald McDonald House Charities.

---

Merrimac Elementary School students have recently been participating in their annual Pick a Reading Partner initiative to encourage reading and a love for literature.

Seneca Middle School recently celebrated diversity by creating a Multicultural and Diversity Week with several enriching activities for students to engage in.

---

Fifth grade students in Cathy Juliano's class at Waverly Avenue Elementary School recently completed a collaborative project where students researched planets and our solar system.

## Sachem Board of Education Recognizes Outstanding Student and Staff Accomplishments

At the April 13 meeting of the Sachem Central School District Board of Education the Board recognized an outstanding group of student-musicians in seventh and eighth grade who recently received honors from the Suffolk County Music Educators' Association and the Long Island String Festival.

Additionally, the Board recognized the Sachem High School East Valedictorian Antonia Pavek, Sachem High School East Salutatorian Michaela Barresi, Sachem High School North Valedictorian Anna Miller and Sachem High School North Salutatorian Samantha Watson for their outstanding academic achievements during their time in high school.

## Board of Education

The Board of Education is composed of nine community members elected by district residents to serve overlapping three-year terms of office. The Board has the responsibility to ensure that all students receive the best education possible, as well as to express and represent the views of the community in matters affecting education.

### Upcoming Meetings

**May 4, 2022**

**Will be live-streamed on our YouTube and held in person.**

**7:00pm**
