Congratulations Class of 2022!

Sachem Celebrates High School East and North Class of 2022 Graduates

Crowds of family and friends filled the stands at the respective Sachem High School East and North fields to celebrate the Class of 2022. Graduates proudly came together for a final time and marched out to the commencement ceremony with "Pomp and Circumstance" playing overhead.

Administrators, distinguished guests and student leaders took the podium to reflect on the last four years of high school, as they looked ahead to the future. As remarks concluded, graduates received their diplomas from the Board of Education and tossed their caps in the air, officially designating them as Sachem alumni.

Congratulations to all of our graduates! We wish you the best of luck in your future endeavors!

Featured News

The Sachem Central School District is proud to announce the appointment of Michele Psarakis, CPA, as the District's new Assistant Superintendent for Business and Operations.

Students across the District celebrated Flag Day on June 14. At Wenonah Elementary School, students invited their families to the building to watch them perform patriotic songs and recite facts about the American flag.

Students at Sagamore Middle School have contributed to a time capsule that has been buried outside the building and contains artifacts from the "COVID times." The capsule contains student work including drawings, stories, poems and letters, that were created in 2020 about how students felt during the start of the pandemic. It will be opened in 2047.

Students at Tamarac Elementary School engaged in an authentic lesson to learn about the life cycles of chicks and ducklings. Third graders in Ms. Monaco's class collaborated with Ms. Hagerman's first graders to hatch chicks and ducklings in their classrooms.

Fifth graders at Nokomis Elementary School brought the classroom outdoors through a gardening project. Students in Mr. Papagni's class started a garden outside of the building from the ground up. They conducted research, got their hands dirty by filling the boxes with dirt and planted a variety of crops.

Sachem Board of Education Recognizes Outstanding Student Teams

At the June 15 meeting of the Sachem Central School District Board of Education, the Board recognized two student teams for accomplishments in recent events.

The Board first acknowledged the students who represented Sachem in the Long Island Special Olympics Spring Games. Student-athletes from Samoset Middle School, Sachem High School East and Sachem High School North took the field on May 21 in a number of events. All athletes took home medals in their divisions.

The student recognition continued with honoring Lynwood Avenue's Destination Imagination Team. The team recently placed fourth in the world for its Fine Arts Challenge. Additionally, the team won first place in the Instant Challenge, which is a timed, creative and critical-thinking exercise that builds teamwork.

Board of Education

The Board of Education is composed of nine community members elected by district residents to serve overlapping three-year terms of office. The Board has the responsibility to ensure that all students receive the best education possible, as well as to express and represent the views of the community in matters affecting education.
