Congratulations, Class of 2023!

Members of the Sachem Class of 2023 proudly marched out to the fields at their respective high schools as "Pomp and Circumstance" played overhead to signal the start of each commencement ceremony. Friends and families filled the stands as administrators and students delivered congratulatory remarks.

Students walked across the stage to receive their diplomas from the Board of Education. The class president at both high schools directed their peers to turn their tassels and toss their caps in the air, marking the end of an era in the Sachem Central School District.

The district wishes the Class of 2023 the best of luck in all of their future endeavors!

This requires a commitment by the athlete while maintaining a positive balance between athletics and academics.
