Internet Acceptable Use

Dear Parent/Guardian:

To ensure that our students become proficient in the information and communication technologies essential for success in a 21st century learning environment, the Sachem School District provides a variety of resources in support of our instructional and administrative programs. Therefore, it is incumbent upon all members of the school community to use technology responsibly, ethically and respectful for the work of others.

Internet access is made available in the Sachem School District for the purposes of educational communication and research, and for administrative organizational purposes. Communications via the Sachem Central School District resources are often public in nature and general school rules for behavior and communications apply.

It is expected that users will at all times comply with district standards and will act in responsible and legal manner, in accordance with district standards, as well as with state and federal laws. A disclaimer referring to this Acceptable Use is included and must be agreed to by users, upon at each logon to the Sachem Central School District computer network.

The complete policy related to Acceptable Use for the 2016-2017 school year is included on the Sachem homepage at www.sachem.edu and will be linked to individual school webpages. All parents/guardians and students are encouraged to view the complete policy online.
