Please select whether or not at least one parent/guardian of this student is currently serving full-time in the United States Armed Forces (Army, Navy, Air Force, Marine Corps, or Coast Guard) on active duty or full-time National Guard duty:

☐ Yes, at least one parent/guardian of this student is currently serving full-time in the United States Armed Forces.

☐ No, this student does not have a parent/guardian who is currently serving full-time in the United States Armed Forces.

Please select one of the following options to complete the residence survey:

☐ Temporary Shelters A temporary residence provided for homeless individuals who would otherwise sleep on the street or a temporary residence provided to individuals in emergency situations. This is also applicable to children who are in temporary residences awaiting permanent placement in foster care.

☐ Hotels/Motels A temporary residence for homeless individuals usually requiring payment or vouchers for lodging and services on a daily, weekly, or monthly basis.

☐ Temporarily Doubled Up A temporary residence where a homeless family is sharing the housing of other persons due to the loss of housing, economic hardship, or other similar reasons.

☐ Temporarily Unsheltered A type of residence for homeless individuals that is not meant for human habitation, such as cars, parks, sidewalks, abandoned buildings, campgrounds, trailer parks, bus and train stations, or persons abandoned in the hospital (on the street). A rule of thumb would be to see the dwelling as comparable to an automobile in that it shelters but is not adequate housing.

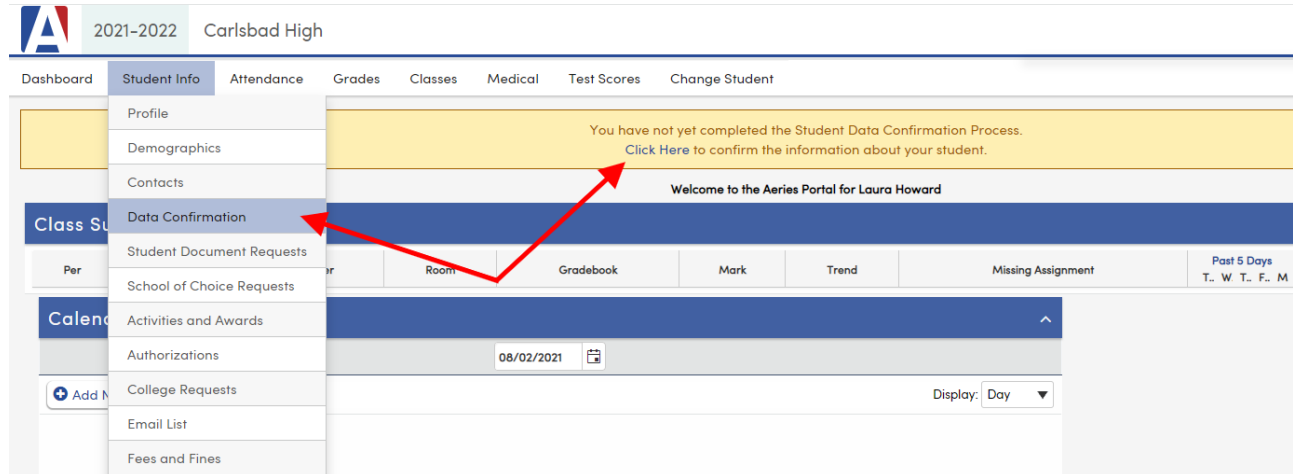

☐ None of the above You may select this option if none of the above home situations apply to this student.
