Dear Sahuarita Parents/Guardians:

Earlier today we were notified that there have been multiple rumors circulating the community on social media about a possible threat to safety at Sahuarita High School and Sahuarita Middle School, understandably causing great concern on the part of the students and parents alike.

The SUSD administration, school staff, and Sahuarita police immediately began to look into this report, as safety is always our top priority. After a thorough investigation was conducted, the SUSD administration and Sahuarita police have determined there is no identified threat at either campus.

Student and staff safety is our top priority, and we take all online, verbal, and written threats seriously. Please be assured that we have implemented measures that will continue to provide our students and staff with a safe and secure environment in which to work and go to school. If you or your child(ren) become aware of any type of threatening language suggesting violence against a school or other students, report it immediately.

As always, thank you for your cooperation in this matter. If you have any questions, please reach out to Brett Bonner, at [bbonner@sahuarita.net](mailto:bbonner@sahuarita.net) or by phone at [520-625-3502](tel:520-625-3502) extension 1015.

Respectfully,

Brett K. Bonner  
Assistant Superintendent for Educational Services
