Happy New Year

"I love beginnings. If I were in charge of calendars, every day would be January 1." -Jerry Spinelli

Welcome 2025! As we SOAR into this new year, we hope you are rested and rejuvenated. Have you made any New Year's Resolutions? Consider setting both an academic goal as well as a personal one. Resuming routines after breaks can be challenging, here are a few tips. Students: print out your daily schedule, set alarms, submit work daily, and set aside time to check your email. Learning coaches: print updated schedules as well, set alarms if it will help prompt your child, check emails, and please remember to submit daily attendance. Mark your January calendars with the many events and reminders, so you don't miss out.

Thank you for your constant support!

Student Recognition **DECEMBER HAWK OF THE MONTH**

We are super excited to recognize

Charlotte Britton

as our **HAWK** of the Month!

Thank you for working hard, having a positive attitude,
persevering through challenges, and making SDPA a great
school!

CONGRATS!

CHARLOTTE IS PUNCTUAL, ATTENDS HER CLASSES
REGULARLY, SHARES IDEAS AND PARTICIPATES IN
CLASS, SHOWS KINDNESS TOWARDS HER PEERS,
AND IS RESPECTFUL TOWARDS HER TEACHERS. YOU
ROCK, CHARLOTTE! KEEP WORKING HARD!

Student Council

Student council had a Christmas themed spirit week just before final exams. As part of the yearbook goals, one of the days was "what would you your dream profession be?" Art club is hoping to start up in January.

Thank you

Mr Sibley has been instrumental in keeping his daughter on track to graduate. There have been numerous bumps in the road for his daughter. He has been her advocate and her "kick-in-the-butt" throughout her entire high school career. His "tough-love" approach has not been easy for either of them, yet the finish line is in sight and his daughter will graduate in the spring! Throughout this process, Mr. Sibley has been focused on keeping his daughter safe and moving forward. He pushes, he guides, he supports, he encourages, and he reminds her constantly that he cares about her success. Great job being a supportive parent.

Happy New Year, Everyone! We hope you all had a safe and joyful winter break filled with fun and relaxation. As we step into this new year, we're excited to welcome everyone back and continue building on the incredible progress we've made together. This is a wonderful time to set fresh goals and embrace new opportunities for growth, learning, and connection. Let's make 2025 a year filled with curiosity, kindness, and success. Here's to a fantastic year ahead!

COUNSELING

Happy New Year SDPA! January is the time that we start planning for classes for next year so I will be sending updated transcript/credits to show what you have taken and still need to complete. 9-11th gradeers-Pima JTED will be opening their pre-enrollment application on January 27th @3pm for central campus programs and you check out their program showcase on January 25th at the Bridges location.

All information can be found at pimajted.org Seniors-continue to check out the SHS and WGHS websites for scholarships that you may be eligible for and there is still time to fill out your federal FAFSA application for financial aid at fafsa.gov Please reach out to me with questions.

Happy New Year K-5 Hawks!

As we start this exciting new chapter, it's the perfect time to reflect on the goals we've set in the past and celebrate the progress we've made. It's also a great opportunity to think about new goals for the year ahead. Whether it's trying our best in school, being kind to others, or learning something new, setting goals helps us grow!

This month, we'll also continue to explore our emotions. Understanding how we feel helps us make good choices, build strong friendships, and face challenges with confidence. Encourage your child to talk about their feelings at home, too—it's a great way to support their growth!

Let's make this a year full of kindness, learning, and happy memories. Wishing you and your family a wonderful start to 2025!

Warm wishes,

Cayenne Towne

Welcome back! Third quarter is a busy one! Please be prepared in advance- students who scored below grade level on their I-Ready Reading diagnostic will be expected to attend mandatory small group instruction two days a week in the Hawks' Nest, Tues/Thurs @ 9:30 for 30 minutes. The purpose of this time is to provide supplemental support, ensuring they are receiving targeted interventions on grade-level standards where needed. Students who did not take or complete the reading diagnostic in December will automatically be pulled for this small group instruction. This serves as a good reminder that I-Ready diagnostic testing and state testing should be given the utmost effort and completed fully. These assessments provide extremely important data that we use as a school to make informed decisions for each students' educational goals. Once students demonstrate mastery of grade level standards, they will no longer need to attend small group instruction. Thank you for your support at home as we support academic growth at SDPA.

Attendance

Reminders

Sahuarita Digital Pathways Academy is officially its own school this year! As an approved online school, we have mandatory attendance guidelines that we have to follow in order to operate. We are required to report daily attendance minutes for our SDPA students. A strong home-school partnership is needed in order to complete this required task. We need your help each school day to meet this guideline.

All SDPA students will need a Daily Attendance Log completed by a parent or guardian EACH school day.

Sahuarita Digital Pathways Academy AOI Daily Attendance Log: K -12

Each school day, you will submit the Google Form to report the total number of minutes that your child engaged in their school-related activities including:

- Time spent in live Google Meets (including lessons, Homeroom, Academic Enrichment, and Elective Enrichment).
- Time spent working on asynchronous activities in Google Classroom, Seesaw, i-Ready, Edgenuity, or another online platform.
- Time spent working 1-on-1 with a teacher or learning coach.
- Time spent working on projects, independent reading, writing, or completing offline assignments.
- Time spent working on special activities like Library, Music, PE, Computer Lab, Counseling, etc.

A separate Google Form needs to be completed for each child. Per board policy, students with 10 consecutive absences will be withdrawn. Forms are due each school day by midnight. Thank you so much for your partnership in this process!
