

Saint Jo ISD
School - Parent - Student
Compact

The mission of Saint Jo ISD is to provide quality instruction and unlimited learning opportunities for students to succeed in life as caring, responsible, self-sufficient adults in a global society. We believe it is the responsibility of the school, family, and the community to work together to achieve this mission.

Saint Jo ISD is dedicated to providing quality education for every student in our district. To accomplish this goal, we will develop and maintain partnerships with parents and community members. Each student will benefit from supportive, active involvement of all members of the population. A positive link between home and school will create the most conducive learning environment for every child. These open communication lines will expand and enhance learning opportunities for everyone involved.

Saint Jo ISD and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) (participating children), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

Title I is a federal assistance program designed to meet the need of ALL students at Saint Jo ISD. Every student in our school is a Title I student. SJISD is a school wide Title I district because the funds provided by the Federal Government help meet the needs of ALL students. This funding helps improve the educational opportunities for the success of our children in the regular classroom while fostering positive growth in social/emotional behaviors and attitudes.

Please read the following Student-Parent-School Compact and discuss it with your child. If you have any questions, please contact the campus office or your child's teacher. Please return the signed compact to your child's teacher as soon as possible.
