

# MEET MRS. STUCKEL

## CONTACT INFORMATION

The best way to reach me is through the Class Dojo app.

You can also email me at [brittany.stuckel@slps.org](mailto:brittany.stuckel@slps.org)  
To contact the main office, you can call 314-352-4343

## ABOUT ME

Hi there! My name is Brittany Stuckel.

This is my 4th year at Buder Elementary, and my 9th year with St. Louis Public Schools. I have worked in early education for over 15 years and each year has provided me with a great deal of new learning experiences as a professional. I am so excited to start yet another year with our youngest Bulldogs! Welcome to our classroom!

## MY TEACHING STYLE

- I am a huge proponent of student independence. We will be learning how to tend to our backpacks, jackets, opening containers and trying things by ourselves before asking for help! This is where students gain self-confidence and build desire for self-sufficiency!
- Our classroom experience is full of hands-on learning! Expect a lot of classroom projects. These activities and projects will allow students to build problem solving skills and develop their critical thinking. As a heads up, I will probably ask for items to contribute to our classroom projects. (Ex. apples for homemade applesauce, empty boxes/containers for a grocery store, etc.) I will never ask for items of high cost.

## FUN FACTS ABOUT ME

- My husband and I have two kiddos- Emma (12) and Lucas (8)
- When I am not at school, I am at either swim practice or taekwondo practice.
- I love being organized. It makes me feel at peace.
- I have two sisters and no brothers.
- I have traveled to both the Rocky Mountains and the Smoky Mountains. I have been to the top of Pikes Peak.
- I serve as a board member for FAST Swimming- STL.
- I am also certified in Special Education and ESOL
