District Accountability Plan

► Goal 1: Student Performance

- Objective I.A. The District will provide the necessary resources to ensure all SLPS students perform at/above grade level in reading and math and significantly improve instructional effectiveness as evidenced by improved student performance.

Summer School Goals

- To significantly impact the academic achievement of selected students in the area of reading, math, and early childhood readiness.
- To provide support for students to prevent a learning gap that traditionally occurs over the summer.
