# Summary

- ▶ Guided Reading in the elementary program allowed Curriculum Supervisors to assess teacher professional development needs for 2011-12.
- ▶ The intervention for failing students for End of Course exam proved a degree of success.
- ▶ Preliminary results from the Accountability Office noted
  - 50% of the elementary classrooms had a high level of student engagement
  - Most classrooms were rated as well-managed
  - Overall, seat work was the predominate method of instruction
