# Changes in E-Rate Funding

- ▶ FCC recently modified the allowable projects and limited costs for projects
  - No longer funded—Districts now pay 100%
    - Telephone system (on premise)
    - Telephone maintenance
    - Web Hosting
  - Limits in costs:
    - Calculated at \$30 per student per year
      - Costs cover WAN/LAN maintenance
      - New cabling
      - Break/fix cabling
      - Update to infrastructure (WiFi only)

# Changes in E-Rate Funding

- ▶ Example -- Local & Cell phones funding will be reduced each year:
  - Previously District paid between 12% and 14% of bill
    - 2015-16 – District pays 30%
    - 2016-17 – District pays 50%
    - 2017-18 – District pays 70%
    - 2018-19 – District pays 100%

We are in the process of reviewing all phone lines for cost reduction purposes
