
Summer Opportunities

10th Graders

Marin County
School to Career Partnership

The text "10,000 Degrees" is displayed in a red, serif font. The word "Degrees" is significantly larger and more ornate than "10,000".

10,000 Degrees®

Why do I need a summer activity?

- Studies show that students lose reading and math skills over the summer.
 - Important to stay engaged
- There are tons of **FREE** and **FUN** activities
- You can start exploring interests and future careers
- Meet new people
- College applications!
