

## 2013-2014 ANNUAL FALCON FUND

The Venetia Valley Falcon Fund is the single biggest fundraising effort of the year. The public funding our school receives does not provide enough funds for many of Venetia Valley's programs and needs. Last year's Falcon Fund raised \$27,000 with participation from over 20% of our families. Our expenses last year exceeded \$50,000. The balance of the money was raised by fundraising events and grants. Without your support, we may be forced to eliminate valuable programs. We are asking every parent to help preserve these necessary programs that benefit every child at Venetia Valley. It is our goal to reach 100% participation from all Venetia Valley families and teachers.

It is very important that every family have an opportunity to participate in their child's education. This year we have introduced different tiers of support – each one as reasonable as the cost of a daily cup coffee. Last year, families gave from \$5 - \$1000. We will accept monthly payments!

Although our pledge drive runs through **September 28th**, your donations are welcome any time. This is a tax-deductible contribution (Tax ID #94-6172327). Please check with your employer to see if your company matches charitable donations. Payments can be made at the school office via check to VV PTA or online: <http://vvpta.org/falconfund>
