

Dear Future Algebra 2 Student,

Do you want to be extra prepared for Algebra 2? Do you feel like your Algebra 1 skills are a little rusty? The TL Math Department wants to help you succeed in Algebra 2 next year!

You are cordially invited to attend the  
TL Algebra Boot Camp  
August 12-15 from 8:30am-12:30pm  
And it's FREE!

Topics will include:

**Graphing lines!**

**SOLVING EQUATIONS!**

*Factoring quadratics!*

Solving Quadratics!

The quadratic formula!

**Rules of exponents!**

We have space for up to 50 students, so we are asking that you RSVP “Yes, I will attend!” We are also asking that IF you RSVP “Yes” that you attend the entire camp (all four hours, all four days) because you may have taken a space that another student could have used. We really hope that you will take advantage of this opportunity. It will be informative, helpful, and FUN. It will put you on a path to success for Algebra 2!!

☞ If you would like to attend, please detach and return the bottom of this letter to your Geometry teacher or Assistant Principal, Lauren Inman by Monday, June 10<sup>th</sup>. ☞

---

YES! I will attend the Algebra Boot Camp to help me succeed in Algebra 2! I will attend all four hours all four days.
