

As a member of the Terra Linda community I will...

I will make a commitment to being more patient.

I am committed to making all students feel welcome and supported.

I will make a commitment to introduce kids from all walks of life.

Love to everyone.

If a student needs something, my door is open, no matter what.

I promise to learn work schedules.

I commit to not assuming that all my students have common references.

I pledge to teach indiscriminately, sensitively, and always interested and concerned for my students.

As a member of the Terra Linda community I will always listen.

I will welcome everyone to TLHS and my classroom!

I commit to being more patient and trying to understand the special circumstances EL students bring to class.

I will welcome my students to my room with love and empathy.

I will continue to offer a welcoming environment.

I will ask at least one student everyday how it is going at home or with friends at school.

I am committed to creating a more supporting, compassionate environment for newcomers.

I will push myself to be a forceful advocate for our EL students.

I will make a commitment to make connections with any student who may feel isolated on this campus.

Try to connect more directly with individual immigrant students and encourage them.

I will give everything I've got.

To make them feel welcome and safe in our school.

Remember their hardships and show compassion.

Class presentations for native speakers.

I will befriend.

I will support the students by more personal acknowledgement. Listen. Speak.

Relate to, support with check in, keep up!

Support.

Continue to learn Spanish. Support/make welcome our EL's.

I commit to checking in with all of my students and making sure they feel safe, not hungry, and wanted here at T.L.

Find out how racism is manifesting itself in my community and ways to address it.

I will create a collaboration with a non-EL class.

I commit to love every student.

I will work to open my classroom specifically to newcomers, ELD and redesignated students.

I commit to getting to know the stories of more immigrant students.

I will continue to be and provide academic and emotional support.

I will support all my students and remember their journeys.

I will continue my commitment to work with our English Learners and establish relationships that help them to remember their worth.
Try harder, stay aware.
