Steve Farbstein, Athletic Director
Deana Dearborn, Athletic Admin. Asst.

ATHLETIC REGISTRATION UPDATE

We are off to a great start with our Fall athletic season. We have just over 300 students participating on Fall athletic teams! Fall sports offerings are women's volleyball, women's tennis, women's golf, football, cross country, water polo and cheerleading. We will be posting weekly match schedules on the Terra Linda website athletics page. Please come out and support our Trojan athletes!

Registration is now open for all winter and spring sports. We would like to have all students registered prior to tryouts. Winter sports begin on Monday, October 31(basketball, soccer & wrestling). Spring sports begin on Monday, February 7(baseball, softball, lacrosse, swimming/diving, track & field, men's volleyball, men's golf, men's tennis). Many students are experiencing delays in being able to get an appointment for a physical exam, which is required for sports clearance. Please begin to make appointments, if necessary, as registrations are not complete without a clearance form signed and stamped by the doctor. Here is the link to the athletic clearance form [Athletic Participation Physical Forms](#)

FOOTBALL TICKETING INFORMATION

Our home opener for football is scheduled for this coming Friday, September 2 at San Rafael High School. Games times are JV at 4:30 and varsity at 7:00.

Terra Linda is using GoFan digital ticketing as an option to purchase tickets for our games. Most schools in our league will be using this platform. We will also have a cashbox at the gate for those who wish to pay with cash. We advise you to purchase your tickets in advance on GoFan so you are not attempting to do this as you enter the stadium and experience technology issues. We will have a QR code at the gate to access the GoFan ticket purchasing site, which is exclusive to Terra Linda. Once you have your tickets on your phone do not hit the redeem ticket button. This will be done when you enter the stadium.

Here is the link to the GoFan page to purchase tickets: <https://gofan.co/app/school/CA23069>

Ticket prices are as follows:

Adults - \$7

Senior Citizens(62+) - \$4

Visiting students and TL students without their student ID - \$4

TL students with a student ID – Free – show your ID at the gate entrance to get free admission.

Entrance to the stadium is through the gate at 3rd street. Park in the parking lot in marked spaces only. Street parking is also available. We are asked not to park in the Montecito parking lot. Students, since you are getting in free with your ID there is no need to climb fences.

WOMENS VOLLEYBALL

The varsity women's volleyball team is off to a great start. They won the St. Helena tournament and have won 11 consecutive matches after an opening loss to Maria Carillo. Terra Linda plays at Sonoma Valley on Thursday, September 1. Sonoma Valley will be charging admission to this game and tickets can be purchased on the GoFan site at the following link: <https://gofan.co/app/school/CA23069>.

Congratulations to Cici Osborn for being a Prep of the Week recipient in the Marin IJ this week.

The JV team is also off to a great start with a 5-0 record.

TENNIS, GOLF, WATER POLO & CROSS COUNTRY
The sports listed above are all embarking on their competitive seasons this week and we will have updates in the next edition of the Athletic Update.
