ATHLETIC REGISTRATION WINTER/SPRING SPORTS UPDATE

Registration continues to be open for all winter and spring sports. We would like to have all students registered prior to tryouts. To register for athletics please go to the school web page and click on athletics and then the registration tab to register on our platform at FamilyID. Winter sports may begin on **Monday, October 31**(basketball, soccer & wrestling) but some sports may delay the start date. Spring sports may begin on Monday, February 6(baseball, softball, lacrosse, swimming/diving, track & field, men's volleyball, men's golf, men's tennis). Many students are experiencing delays in being able to get an appointment for a physical exam, which is required for sports clearance, Please begin to make appointments, if necessary, as registrations are not complete without a clearance form signed and stamped by the doctor. Here is the link to the athletic clearance form

**REGISTERING FOR ATHLETICS DOES NOT GUARANTEE AN ATHLETE A SPOT ON A TEAM!
ATHLETES MUST STILL MAKE THE TEAM DURING THE TRYOUT PROCESS!**

If an athlete is still competing in a Fall sport, athletes must complete their seasons prior to starting their winter season. Any athlete completing a Fall season will have the same number of days to tryout when they begin as the athletes received the first week. Example: football will overlap with winter the week of Oct. 31. Football players will report to tryout on Monday, Nov. 7. If the tryout was 3 days the Oct. 31, the football players will receive 3 days. However, the athlete must report on the first day they are eligible to do so to be allowed the same number of tryout dates unless they are ill and did not attend school.
