

Terra Linda Athletics Update

Steve Farbstein, Athletic Director

Office Hours 10:00 am – 6:00 pm

May 30, 2023

Summer Athletics

There are a number of training opportunities for students this Summer to get ready for Terra Linda Athletic programs. Please visit the [Athletic News](#) section of our website for more information. This section will be periodically updated with additional information.

Fall Registration

Registration for the 2023-24 school year is open. Please visit the Terra Linda Athletic [registration page](#) for registration procedures. All students participating in fall sports must be registered by the start of the season on August 7 including a completed physical form. In addition to these requirements, athletic eligibility is dependent on this current semester's grades for sophomores, juniors and seniors. Any student in danger of not obtaining a 2.0 unweighted GPA or having more than one failing grade should see their counselor to discuss options for summer school.

Senior Award Night / Athletics

Outstanding Male Athletes

Catherine Fahrner
Lucy Jaworski
Rosie Lucchesi
Piper Egan
Lauren Reid
Ava Jorgensen

MAF Outstanding Student Athletes & CIF Spirit of Sport Award

At the end of each school year the Marin Athletic Foundation honors a male and female athlete from 12 schools in Marin County. The award recipients are honored each spring at a banquet at the Embassy Suites. This year, the Outstanding Student Athlete dinner was held on May 1. Congratulations to the recipients of the 2023 MAF Outstanding Student Athlete award from Terra Linda HS, Roan Goertz and Catherine Fahrner.

The California Interscholastic Foundation (CIF), the governing body of high school sports in California awards the CIF Spirit of Sport Award in the Fall, Winter and Spring of each school year, choosing one male and one female recipient from all over the state. Terra Linda senior track & Field and basketball athlete, Sheri Lin, is the female recipient in the spring for the entire state of California. Congratulations to Sheri on her selection. Sheri traveled to Burbank, CA on April 28 to receive the award from the CIF Commissioner, Ron Nocetti. Here is the press release from the CIF:

Sheri Lin is a multi-sport athlete at Terra Linda High School participating in track and field, basketball, flag football, and soccer throughout the years, and served as a team manager of the football team as a senior. She is also a photographer for TLHS sports teams and is a two-year member of CSF and the Asian Student Union. Additionally, Lin is a Campaign Manager and intern at Marin Against Youth Abuse, tutors various subjects, officiates and coaches youth flag football, and volunteers her time with the Society of Wilderness. "Sports have shaped many of my values like perseverance, leadership, and teamwork," states Lin. "Participating in interscholastic athletics has given me the ability to apply the lessons and values I've learned not only in my life but to the lives of others. I'm grateful for the opportunities that sports have provided me and am committed to passing on these lessons to the next generation as a coach."

Boys Volleyball - Camden Franjieh (Honorable Mention)

Coaching Update – Open Positions/Athletic Department

Water Polo: Terra Linda High School is looking for experienced water polo coaches to lead our boys and girls programs. Please reach out to Athletic Director Steve Farbstein for more information.

Limited Campus Access this Summer

With the school year coming to a close, the construction crew will be ramping up their efforts during the summer months to get as much done as possible before the 2023-24 school year begins.

Our athletic teams continuing to use facilities may have some changes to parking and access to the facilities being used. The most noticeable change will occur to the staff parking lot and entrance to the academic wing of the school. Beginning on Monday, June 12th, the majority of the staff parking lot and the steps leading to the academic wing will be fenced off. This area will be under construction into the 2023-24 school year. Due to this project, access to the back of the campus will be limited to cars. Athletes using the tennis courts should plan on parking in the student lot and walking up to the courts or entering the tennis facility via Devon drive.

Planned construction projects for the 2023-24 school year are as follows:

- 1) Repair, Sanding and repainting of the floor in the new gym - August 4-18. Volleyball practice will be relocated to the old gym during this 2 week period.
- 2) Recoating of the Tennis Courts - Fall 2023
- 3) Resurfacing of the Track - Spring 2024
- 4) Start of the Aquatics Center project - June 2024
- 5) Restroom/concessions building in the spot of the current portable - Spring/June 2024

If you have any questions please contact your coach, Athletic Director, Steve Farbstein sfarbstein@srcs.org

Athletic Department General Information

The Athletic Department office, room 109, is located within the new Gym complex. There is an exterior entrance on the street side of the building. The Athletic Training room is located adjacent to the athletic office in office 110. The Athletic Office is open Monday through Friday between the hours of 10 AM-6 PM unless otherwise posted. Administrative Assistant, Deana Dearborn is available in-person between 1-4:00 PM. Updated Athletics events can be found on the Athletics calendar ([link](#)). Check out our Athletes in action on the Terra Linda Athletics Instagram: @tltrojansports

The Terra Linda athletics department is proud to be partnering with Positive Coaching Alliance as an extension of our commitment to positive climate and culture. Positive Coaching Alliance is a non-profit organization which strives to create a positive youth sports environment. For more information about PCA and the work that they do, please follow this ([link](#)).
