To whom it may concern:

After reviewing the relationships of myself and staff members with staff and board members of the Smyer Independent School District, we can determine no conflict of interest. As a result, we have elected to not fill out a conflict of interest questionnaire.

We value the continuing relationship we have in covering news and events and running both display and classified advertising for the Smyer ISD.

Thank you for your business and the opportunity to do business with your community.

Respectfully,

Stephen Henry
