**(MCHD Services con't)**

**Targeted Case Management Home Visitation Services**

Clients may refer themselves. We do not need a doctor's order. This service provides home visitation case management by nurses and dieticians focused on the following areas:

**A Maternal, Child and Adolescent Health:** Medically Fragile Infants, First Time Moms, Infant and Child Growth and Development, High Risk Pregnancy, Perinatal Depression and Pregnant or Parenting Teens

**Or**

**B Children or Adults who are at Risk of Medical Compromise.** Children under 21 may have one diagnosis and adults (over 18) should have two or more diagnoses. This may be according to the client's own history.

The primary reason that they are at risk of compromise may be due to

- \_ Failure to take advantage of necessary health care services
- \_ Noncompliance with their prescribed medical regime
- \_ Inability to coordinate multiple medical and other services
- \_ Inability to understand medical directions due to comprehension barriers
- \_ Lack of a community support system to assist with appropriate follow-up care at home
- \_ History of substance abuse
- \_ History of being a victim of abuse, neglect or violence

To contact for information please call (831) 755-4630
