WE MADE A MISTAKE...

You should have received the 3rd quarter progress report cards in the mail late last week. We regret to inform you that when the report cards were printed, there was an error and the incorrect grade report term was printed on the report cards. The grades that were printed were the 1st semester grading period grades, not the 3rd quarter progress report grades. We will be reprinting and mailing out correct report cards early this week. Please disregard the report cards already received. We apologize and are very sorry for the confusion this may cause. For questions about your child's progress, please do not hesitate to reach out to your child's teachers and/or counselors.
