Encouraging Students to Read

In the library this past month students took part in an "I Love Books" contest. To participate, students read a book and then wrote a review about why they loved the book. This month's winners pictured from left to right were: Leyandra Winans, Taylor DeAnda, Nevaeh O'Dea and Adeline Hanson. Not pictured is Galilea Guerrero.

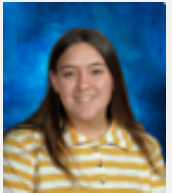

STUDENT SPOTLIGHT TAYLOR DEANDA

This is Taylor DeAnda! She is the most fabulous performing arts student. Taylor was selected as student director of the fall show, "It's the Great Pumpkin, Charlie Brown." She was student director last year for "The Hamilton Projects," and plays Katie Nana and a number of ensemble roles in the upcoming spring musical, "Mary Poppins Jr." Taylor is recognized for her outstanding ability to stay positive during the most difficult circumstances. She always has a smile on her face that is graced with genuine care for others. VPA is lucky to have her talent and leadership in

our shows.

All students recognized in the student spotlight receive a free meal from Sierra Energy
