Student Class Selection for Next Year

Each March, College Basketball holds their post season tournaments, commonly referred to as March Madness. For Sonora High School, March brings its own version of March Madness in the form of preparation for next year. All month, counselors visit classrooms and give presentations about the courses that will be offered next year, and then return on a later date to meet with students individually to select courses for next year. All Students will be given a course ballot to bring home and discuss with parents. Please ask your child to show you their course ballot and discuss with them their course selection for next year. If you have questions please do not hesitate to reach out to our counseling department.

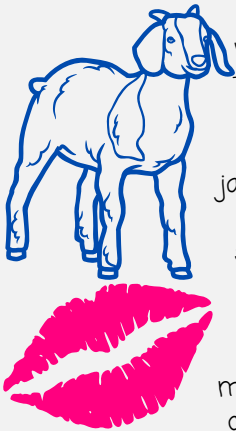

STUDENT SPOTLIGHT HECTOR MURILLO

This week we would like to recognize Hector Murillo. Hector is always friendly and respectful. He enjoys school, playing card games and basketball. He likes his classes and hanging out with friends. We are proud to have Hector as Sonora High Wildcat!

All students recognized in the student spotlight receive a free meal from Sierra Energy

FFA KISS THE GOAT

Because FFA week was disrupted by inclement weather, the FFA Leadership team will be running a "Kiss the Goat" fundraiser this week. Staff members have jars placed in their classrooms and office spaces that students can put money in. Money will be collected through the end of the day on Thursday 3/9. The staff member with the most money collected will kiss the goat on Friday 3/10 during lunch.

INCLEMENT WEATHER/ SCHOOL ACTIVITIES

When there is inclement weather, sometimes school and the activities that we do at school are postponed or canceled. To stay up to date on school delays/closures please visit mymotherlode.com. For information on the cancellation or postponement of school activities, such as athletic events, dances ect. please see this [link](#).
