School Safety

Though school safety is always on our minds, in light of recent events it is even more so. We want to assure you that the safety of our students is our top priority. We are constantly reviewing our security and safety measures to ensure that we are doing everything we can to protect our students and staff. Part of this, is training our staff and students and then practicing that training. A few weeks ago, we scheduled an emergency training drill that will take place on Friday, April 7th during the Flex Block. Please see this short video [ALICE Training Video](#) for more information about what we will be practicing with our students. If you have questions or concerns, please do not hesitate to reach out to the SHS administration.

Reminder...

MONDAY, APRIL 10TH IS A SCHOOL DAY

We Want to Know
What You Think!

Each year we give parents, students and staff the opportunity to provide input through our LCAP Survey. The LCAP is the Local Control Accountability Plan, which is a three year plan that addresses goals, actions, services and expenditures to support positive student outcomes at Sonora High School. We use the feedback from our stakeholders to revise our plans. Please take a moment to give us your feedback. You can find the survey at the QR Code above or this link: [2023 LCAP Survey](#)

Mother Lode Job Training has a Student Training & Employment Program(S.T.E.P. Up), that has spots available . For more information regarding the S.T.E.P. Up Program and the qualifications, please see this link: [S.T.E.P. Up Program Information Flyer](#)

STUDENT SPOTLIGHT CALLISTA JUKES

This week, the CTE department would like to acknowledge Callie Jukes, a junior as our Star Student of the Week. Callie is a CTE rockstar. This year she is completing both Culinary Arts and Floral Design pathways in addition to being a Middle College student. Callie's positive attitude, respectful nature and can-do attitude makes her a pleasure to have in class. Callie is always going above and beyond to help her teachers and fellow classmates.

All students recognized in the student spotlight receive a free meal from Sierra Energy
