Student Events

As the year continues to progress, there are many student events occurring. Over this weekend, our Visual Performing Arts Department had three showings of the musical, Mary Poppins and our FFA put on a community Easter Egg Hunt at the Wildcat Ranch, in addition to the normal athletic events the occur weekly. Pictures below include pictures from both the egg hunt and the performance of Mary Poppins. Stay connected with The Week Ahead (linked at the bottom of this page) for additional student events that will occur throughout

the next two months.

STUDENT SPOTLIGHT MIGUEL RAMOS

This week, the Counseling department would like to recognize Miguel Ramos. Miguel came to Sonora High his junior year. He has been an amazing student since his arrival and his grades have only continued to rise. Miguel is kind, caring toward others, and a hard worker. You can always count on Miguel to try his best and give effort in everything he does. He is a great addition to Sonora High and we are so glad he's here.

All students recognized in the student spotlight receive a free meal from Sierra Energy

Each year we give parents, students and staff the opportunity to provide input through our LCAP Survey. The LCAP is the Local Control Accountability Plan, which is a three year plan that addresses goals, actions, services and expenditures to support positive student outcomes at Sonora High School. We use the feedback from our stakeholders to revise our plans. Please take a moment to give us your feedback. You can find the survey at the QR Code above or this link: [2023 LCAP Survey](#)
