Sonora High School Scholarship Night

Wednesday evening, Sonora High School hosted its annual Senior Scholarship night. There were 110 donors who awarded over \$300,000 in scholarship to Sonora High School students. Thank you to the community for their generous support of our students and their future!

STUDENT SPOTLIGHT GRANT WIMBERLY

This week, the Social Studies Department wants to recognize Grant Wimberly as the student of the week. Grant enthusiastically engages in class activities to learn more about government and how our economy functions. He has become an entrepreneur and a buyer or seller of wheat to learn how free markets operate while earning Day-O cards along the way. He openly shares insight to concepts of the class during discussions and positively influences the class atmosphere. He is a model citizen who is ready to graduate and

join the adult world.
All students recognized in the student spotlight receive a free meal from Sierra Energy
