Spring Sport Success

As the school year barrels towards the finish, spring sports are wrapping up their seasons. The swim teams both won league championships as well as qualifying multiple athletes to compete at the sections finals. The track team also qualified many athletes to move on to the CIF-SJS Divisional Championship that will be held this week. In dramatic fashion, our Golf team (pictured below) qualified to move on to the D5 tournament that will be held Monday 5/8/23. The Tennis team(D1 #1 seed) and Baseball team(D4 #13 seed) will both play the first round of playoff games this week. Softball will finish out the regular season this week and awaits playoff seeding. Congratulations to all of our spring sport teams and athletes.

The Crystal Falls/Phoenix Lake bus route will be rerouted for the remainder of the school year due to construction. Please see this link for details about the changes to the route: [Reroute Info](#)

This past week Sonora High School celebrated Teacher Appreciation Week. We would like to take a moment to thank all of our Teachers for their hard work each day!

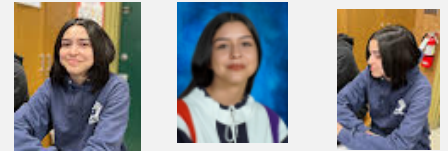

Sonora High Art Show

Sunday afternoon, the Sonora High School Art Department put on an Art Show. The students pictured above are some of the students whose art work was showcased. Look for pictures of the show in next weeks Wildcat Weekly!

STUDENT SPOTLIGHT ADRIANA ESTRELLA

This week, the science department would like to celebrate Adriana Estrella as our student of the week. Adriana excels at her schoolwork and is very curious. She is never hesitant to ask a question, and loves to relate science to her everyday life. Not only is she an exceptional student, she is a caring friend and role model to her peers. She is always willing to help out a fellow classmate and always puts forth her best effort. Congratulations Adriana! Thank you for your hard work.

All students recognized in the student spotlight receive a free meal from Sierra Energy

FFA AWARDS BANQUET

Saturday evening, the Sonora High FFA Chapter had their annual awards banquet at the Sonora Fairgrounds. Many students were recognized for their achievements, you can see some of them pictured below. We are so proud of our Agriculture program and the benefit that it has for our students.
