End of the 1st Quarter

This Friday is the end of the 1st Quarter of the 2023/24 school year. While the grades do not go on a student's permanent transcript until the end of the semester, quarter grades do impact a student's eligibility to participate in extra-curricular activities such as Athletics, Drama, FFA and other activities. If you have questions or concerns regarding your child's grades, please reach out to their teacher. You can use this link to access a list of [SHS staff contacts](#).

We want to hear your thoughts!
The Sonora Union High School District is looking for feedback/information from parents. We are using ThoughtExchange so that all parents have a chance to share their perspective and understand what reforms, practices, or changes parents think would most positively impact students' academic and personal success. Please take a moment to fill out the survey that you can find at this link: [Parent Community School Survey](#) or using the QR Code to the right. Thank you for giving us your feedback!
