Student Spotlight

The Social Studies Department would like to recognize Delanyie Lattin for the student spotlight.

Delanyie is simply a quality human being. She is honest, trustworthy, realistic, playful, and capable. Recently, she showed all these traits by leading and taking initiative to fill an unplanned void in Mr. Smith's 3rd Period Psychology class to be sure all students were accounted for, safe and productive. She relates to people well and seeks their best interests. She also serves as a student representative as Sonora High becomes a community school.

All Students recognized in the student spotlight receive a free meal from Sierra Energy/Squeeze Burger
