QUESTIONS?

SOUTHAMPTON ELEMENTARY SCHOOL

DUAL LANGUAGE AND ISA PARENT MEETING

DISTRICT-WIDE

COMPONENTS

- The Goal of the Dual Language/International Spanish Academy Program is to create bilingual, bi-literate and bicultural students.

- In order for students to earn ISA certificates from each of the three schools, students must participate in each grade level of the program within each school:
  - SES Model: Dual Language Program as described earlier
  - SIS Model: ISA program that includes 2 periods of the school day in ISA classes (taught in Spanish)
  - SHS Model: ISA program that includes 2 periods of the school day in ISA classes (taught in Spanish)

COMPONENTS (CONTINUED)

- Students must participate in DELE Testing in 6th, 8th, 10th and 12th grades.

- Students who participate in Dual Language/ISA program in all grades are eligible for a NY State Diploma, Spanish Embassy Diploma and are eligible to apply for a Bilingual Diploma Endorsement from New York State

CONSIDERATIONS FOR PARENTS

- Amount of homework on each grade level
- Expect lower standardized test scores for first few years in program
- Students get overwhelmed at times
- Inability to take a 2nd Foreign Language and Extra Help Period at SIS
- Limits number of additional electives that can be taken at SHS
- Is attractive on transcripts for colleges to review
- Opens the door for various community service, internship and career opportunities
- Students exit program fully bilingual in Spanish/English.
