

MISSION STATEMENT AND VISION

The Board of Education recognizes that to govern effectively, it must clearly define why the district exists and what it aspires to be. The Board therefore adopts the following mission statement to convey the district's purpose, and vision to set forth what the district should strive to become in the future.

Mission Statement

The mission of the South Colonie Central School District is to educate all students to their highest level of academic achievement, realize their full potential and prepare them to become responsible citizens in a global society.

Vision Statement

South Colonie empowers all students to embrace learning, achieve their personal best, and build their emotional, social and physical well-being.

Annual Review

The Board recognizes that while the vision is intended to be a long-range statement of the ideal future for the district, it still requires continual evaluation. Accordingly, the Board will review the vision statement annually in developing the district's annual goals.
