

ADVISORY COMMITTEES TO THE BOARD

The Board may establish advisory committees for special projects or to address specific problems or issues, except as otherwise specified by law. Final decisions in all matters rest with the Board.

Procedures will be established by the Board for the creation and function of advisory committees. These procedures shall include:

- specific charges or tasks assigned to committees,
- payment of committee expenses,
- membership of committees, and
- procedures for dissolution of committees.

Committees shall report all suggestions and recommendations to the Board and Superintendent prior to public release. Final reports shall be delivered to the Board at a meeting scheduled by the Board to receive the report.

Any official policy-level action is the sole discretion of the Board. The Board is in no way obligated to follow committee recommendations. The Board has the right to accept, reject, or modify all or any part of a committee recommendation.

Publicity, or the release of information, concerning committee findings shall be the responsibility and the prerogative of the Board. Advisory committees shall be discontinued upon completion of their assignment(s).
