

**USE OF VOTING MACHINES**

Voting in Annual or Special School District Meetings shall be on voting machines.

With the consent of the County Board of Elections, the District may use voting machines belonging to the County in which any part of the District is located. Rental and other terms or conditions are set by resolution of the Board of Elections.

These machines shall be prepared for voting at the direction of the District Clerk at a location to be determined by the Board of Education. The number of voting machines in actual use at any one time during a School District Meeting shall be determined by the District Clerk according to need.

Before any such machine is used at any such meeting or election, the Inspectors of Election shall examine such machines to ensure that all the counters are set at zero, and that the machine is in all respects in proper condition for use.
