

**CELLULAR PHONES AND ELECTRONIC DEVICES**

The use of cellular phones with photographic capability and text messaging devices creates the potential for violation of privacy as well as threats to testing/examination security.

In order to ensure test and examination security and the privacy of individuals, the Board of Education prohibits the use of such devices as follows:

- During any test, examination, etc. or in any way that involves plagiarism or cheating.
- In any bathroom, locker room, or other area where individuals have an expectation of privacy.

This policy shall be referenced in the District Code of Conduct (Policy 5300) as well as student handbooks.
