

FACILITIES RENOVATIONS

The Superintendent of Schools will submit a report and recommendations to the Board of Education on facilities in need of renovation and/or major repairs. All renovation and repair plans will be subject to approval by the Board. Structures may not be altered without the written permission of the Superintendent. Any changes made must conform with existing statutes and safety requirements required by law.

All policies that apply to construction of new facilities shall apply, to the extent appropriate, to renovations and major repairs of existing facilities.
