

PLAYGROUND USE

Property of the South Colonie Central School District includes any building, structure, athletic playing field, playground, or parking lot contained within the boundary lines of each school of the District. The South Colonie Central School District controls the maintenance of order on District property, including the conduct of students, teachers, other school personnel and visitors.

It is the policy of the South Colonie Central School District to restrict the use of its playgrounds when school is both in session and not in session. All playgrounds located on District property shall have notices posted in conspicuous places indicating the following:

1. The hours of operation for the public, which shall include after-school hours and weekends.
2. The playground is closed to the public during school hours of operation.
3. No child should be left unattended without proper parental supervision.
4. There is no supervision provided by District personnel.
5. Each visitor assumes the risk of any injury.

Such notices shall be posted on each school playground of each of the schools of the District, after the adoption of the regulations herein by the Board of Education.
